**Commissioners' Message**

**MAKING OUR COMMUNITY BETTER THROUGH PARK IMPROVEMENTS**

During this time of growth and renewal all around us, we on the Board of Park Commissioners take great pleasure in welcoming our newest board member, Robert Herking.

Rob brings to the volunteer position of park commissioner an extensive repertoire of experience. He is a practicing attorney, a CPA and a former prosecutor and police officer. As a lifelong Anderson resident and father of three active young children, he knows firsthand that parks are a vital part of the Anderson Township community.

**Robert Herking**

Rob fills the vacancy left by Josh Gerth, who began his new role as Anderson Township trustee in January. Josh served as a park board commissioner

from 2009-2013. We wish him the best of luck in his new responsibilities as township trustee.

In keeping with the theme of growth and renewal, we have also been working on our vision for your Anderson parks. Ultimately, we want to improve our existing parks and to bring indoors the best of what we do outdoors. In the future, we would like to expand

and enhance the parks through improvements such as:

- trail extensions,
- restrooms,
- shade structures,
- land acquisition adjacent to existing parks.

Moving indoors, our vision as a park district includes adding recreational space providing a walking trail and court space that can serve as sports, league, programming, and event space for all ages. The indoor space we envision includes just the basics, the primary elements being multi-use court/event space and a walking trail. No pools or fitness equipment are envisioned (these are well-represented in the community), but simply what we know we need from our 10 years of experience leasing the Beech Acres Park RecPlex and nearly 40 years of being in the active recreation business.

Our goal as the Board of Park Commissioners is to provide a variety of venues to meet the recreational needs of as many people as possible while living within our means. We are excited about what the future holds for your Anderson Township parks! We look forward to working with our newest board member and you as we strive to make the community better through the Anderson parks.
