(Chicago) - - The Award for Small Government Cash Basis Reports has been awarded to the **Anderson Township Park District** by the Government Finance Officers Association of the United States and Canada (GFOA) for its annual financial report. The Award for Small Government Cash Basis Reports is the highest form of recognition in the area of governmental accounting and financial reporting on the modified cash basis, and its attainment represents a significant accomplishment by a government and its management. Additionally, the **Anderson Township Park District** is a pioneer for the award as one of its first winners.

The Annual Financial Report has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive “spirit of full disclosure” to clearly communicate its financial story and motivate potential users and user groups to read the report.

The GFOA is a nonprofit professional association serving over 18,000 government finance professionals with offices in Chicago, IL, and Washington, D.C.
