### Greater Anderson Days 2019 Band Application

Thank you for contacting the Anderson Park District to express your band's interest in playing at the 2019 Greater Anderson Days, scheduled July 26 – 28. We are happy to consider your band for our community's largest summer celebration, now in its 21<sup>st</sup> year of existence.

**Background Information:** The Anderson Park District is the coordinating partner of Greater Anderson Days. This community celebration is a joint venture, which includes Anderson Township Government and the Anderson Area Chamber of Commerce.

The Anderson Park District's portion of the Greater Anderson Days profits is earmarked for the Anderson Foundation for Parks & Recreation Playground Fund. Proceeds from sponsorship, food, and booth sales pay for a majority of the event's expenses.

With this huge goal for such a worthy cause, we first ask bands if they are willing to donate their performance fee as a gift to the community. For many years, we have been fortunate to attract many talented local bands that are interested in giving back to the community. Greater Anderson Days should be viewed as a promotional opportunity for your band. It is the perfect venue to expose thousands to your music, to showcase your talent to a wide variety of festival patrons, and to announce upcoming play-dates.

Bands may secure their own sponsorship upon approval from the APD. Approved sponsors may promote their business and display their banner on the stage during the sponsored performance.

We will be providing all sound engineering and set-up, unless your band provides your own. You will need to provide your own instruments and instrument amps.

Participating bands will be given priority parking and use of the stage trailer before and after their performance. Assistance will be provided for moving equipment on and off the stage if requested. Beverages are provided to band members.

Please fill out the information below and return it **along with a band press kit / demo** (online is fine) to:
