ENJOY THE BEAUTIFUL FALL SEASON!
PARK BOARD ESTABLISHES GELTER GROVE
IN HONOR OF NADINE E. GELTER

Since the Anderson Park District was voted into existence by residents in 1975, 25 volunteers have served at the helm as members of the Board of Park Commissioners. Each commissioner has had a hand in making the Anderson Parks what they are today.

One such commissioner is Nadine E. Gelter who served on the Park Board from 1997-2016. This year the Board of Park Commissioners approved a resolution establishing Gelter Grove at W. M. Johnson Hills Park in honor of Mrs. Gelter. As the first female commissioner appointed to the volunteer board, her honorable leadership was instrumental in shaping the Anderson Parks during its growing years. She helped to acquire strategic properties for public parks, including W. M. Johnson Hills Park, 7950 Bridle Road, which continues to hold a special place in her heart.

Gelter Grove was dedicated to honor Mrs. Gelter’s faithful, diligent and impartial service to the residents of Anderson and the Anderson Park District. Generations of Anderson residents will continue to enjoy the fruits of her labor for many years to come.

We are grateful to each member of the Park Board who came before us for their contribution to the evolution of the Anderson Parks. We strive to continue the tradition to help make Anderson a great place to live, learn, work and play. On behalf of the current Board of Park Commissioners, we encourage you to find time this fall to help us honor Mrs. Gelter with a visit to Gelter Grove at W. M. Johnson Hills Park.

To learn more about the plans for W. M. Johnson Hills Park, visit AndersonParks.com, view the plan in the park bulletin board, or contact Ken Kushner, Executive Director at (513) 388-2492; kkushner@AndersonParks.com.
