Games may take place on Saturdays and/or Sundays.

Registration fee includes uniforms, officials and gym time for games and practices.

Leagues are instructional and designed for beginners.

Players are placed on teams by the park district based on school attended.

Playing time requirements are enforced.

Each grade will be a separate league; however, grades may be combined if needed.

Game/Practice dates subject to change due to facility availability.

## RECREATIONAL TEAM FORMATION PROCESS

The APD forms its recreational teams from individual registrations only. Individual registration is the best way for us to keep the integrity of a recreational league.

A player and/or coach request is NOT guaranteed.

We do not accept team registrations/requests.

All volleyball teams have a maximum of 8 players per team. There are no exceptions to ensure minimum playing requirements are maintained.

New teams are formed each year based on the volunteer coaches and players registered.

When the number of players from a specific school exceeds the maximum number of spots on a team, we split the players as evenly as possible.
