Payments, Refunds & Rescheduling

1. A non-refundable \$25 deposit is required at the time of scheduling to reserve a date. The balance is due two weeks after scheduling your reservation along with your signed Facility Rental Disclaimer, which will be provided with your reservation confirmation and invoice. If payment is not received by the invoice due date, your reservation will be canceled.
 - If a reservation is made less than two weeks from the booking date, payment is due at time of booking along with your signed Facility Rental Disclaimer.
 - Reservations made online will require full payment at the time of booking.
2. Reservation fees are refundable, less a \$25 deposit/processing fee, if the reserving group gives written notice at least 14 days prior to the reservation date. Reservations will not be canceled until written notice is received from the reserving party. If a cancellation is made less than 14 days prior to the reservation date, Anderson Park District will retain the entire fee.
3. If severe inclement weather on the day of the reservation caused the shelter area to become unsafe or unusable, the customer may request a refund. The refund request must be made in writing within 72 hours after the reservation date. All refunds are subject to a \$25 processing fee. Park staff will determine if weather has caused the reservation area to be unusable for that time period. All attempts will be made to reschedule, or a refund of the fee, less the \$25 processing fee, will be issued within two weeks.
 - Inclement weather includes severe rain, lightning and storms, but does not include the temperature being too hot or too cold, nor does it include light rain showers or the appearance/forecast of rain showers. Weather conditions will be verified.

Beer, liquor and wine are permitted by reserving groups at no additional charge but must be kept under the shelter or specific permitted area with a permit.
