B. FIELD ASSIGNMENT AND PERMIT PROCESS

Allocation Priority Classifications:

Group 1. APD youth/adult athletic programs or leagues, or APD sponsored events.

Group 2. Non-profit or not-for-profit youth organizations serving Anderson Township residents without any paid staff or trainers; Forest Hills School District.

Organizations conducting open registration regardless of skill level and advertised as “open to the general public”. Must fulfill a community recreational need or have a qualified partnership with the APD. Organizations/Teams serving

the highest number of Anderson Township residents will be given first consideration of their request.

- Group 3.** General youth users, select programs, and adult users. Select programs are programs in which players are permitted or denied participation based upon an evaluation of the participant's skills. The APD may require additional information to determine group classification status.

Priority Considerations

Fields will be allocated considering the following:

- Priority classification.
- To ensure township resident use of these fields is scheduled in an equitable manner and that as many youth and adults as possible have the opportunity to participate on these fields.
- Teams/Organizations based on the resident percentage in relation to all teams in that priority group.
- Past field use history and dates of events.
- Scheduled games versus practices.
- Seasonal activities versus non-seasonal activities.
- Impact of use on surrounding neighborhood.
- Benefit to the Anderson Township residents.

Additional Information:

- Field usage may be restricted, denied, or cancelled based on organizations past usage (i.e. excessive cancellations, damage, sub-leasing, facility use deemed inappropriate by the APD, etc.).
- Verification of Anderson Township residency will be established by the submission of team rosters.
- Policies are to preserve the integrity of the facilities and for the best interest of all users.
- Each athletic facility requires special consideration to maintain them in the best possible condition.
- Users will only be allocated the total field space that the policy regularly provides.

Field Requests

- a. The APD will distribute an All-Weather Field Request Form to each organization to be submitted by the printed deadline. Organizations which have used APD fields in the past, but with significantly different participation numbers, must report the estimated growth/decline in participation and follow up with the submission of rosters, when they are available.

- b. Organizations that have never used APD fields must submit their estimated number of participants on the All Weather Field Request Form and submit team/league rosters.
- c. APD staff will work with league schedulers to advise them of the parameters for the allowable scheduled use for each field.

The APD reserves the right to modify schedules as it deems necessary at any time.

C. RENTAL DEPOSIT

A rental deposit is required with a completed Request Form to hold the facility:

- \$100 for seasonal use per field
- \$250 for special events, tournaments, etc.

The rental deposit will be applied to the renter's balance due. If the APD is unable to accommodate a rental, the rental deposit will be refunded.
