ABOUT THE 2025 OPERATING LEVY

Anderson Voters to Determine the future of the Park System

IN 1975, ANDERSON RESIDENTS VOTED TO establish free public parks in our community. For 50 years, Anderson families have been making memories in the Anderson Township Park District's parks. Our community has shown they value the many benefits parks bring to Anderson, from economic and social value, to physical and mental well-being. High quality parks make Anderson Township a great place to live, work, connect and play.

On November 4th, Anderson residents will see a 1.8 mill REPLACEMENT operating levy on the ballot for the Anderson Township Park District. The Board of Park Commissioners voted this levy to be a slight reduction from the current 1.9 mill levy passed in 2016. Park operating levies maintain the high standards Anderson residents have come to expect of their park system. Funds from this levy support the day-to-day operations of the

parks, including staffing, recreational programming, utilities, supplies, field maintenance, landscaping and mowing. Your support will ensure that Anderson Parks remain clean, safe and enjoyable for all!
